REPAIR

Repairing tapes offer "first aid" in emergency situations, allowing minor damages to be fixed with little effort. These tapes are ideal for fast and reliable repairs.

SPLICING

Splicing tapes help to significantly optimise processes by ensuring rolls can be joined during operation without the risk of tearing or slowing the process down.

SURFACE PROTECTION

Surface protection tapes are designed to protect surfaces from damage due to abrasions, debris, environmental elements, and more.

SAFETY & PROTECTION TAPES

Whether you want to implement safety measures in your space or produce personal protection and medical equipment, when health and safety is your top priority, we have adhesive solutions you can trust.
